Dogs Puppies Cats Kittens

I would like to foster: Small Medium Large

I understand and agree to the following (please initial each item):

I have received a copy of the Foster Manual and agree that it is my responsibility to read, understand, and follow the guidelines set forth therein. Any questions I may have regarding foster responsibilities will be directed to the Foster Coordinator.

The number of animals I may foster and the amount of time I may foster said animals will be determined in the sole discretion of A Second Chance Puppies and Kittens Rescue, Inc. ["the Group"]

I understand that veterinary medicine is not an exact science. It is very possible that during the medical processing of the foster pet, some illness and/or injury and/or parasite may go undetected. The animals released in the foster care program may be incubating a medical condition that could affect my personal animal(s) at home. It is my responsibility to ensure that my personal animals are protected from any potential diseases to which they may be exposed as a result of my taking foster animals into my home.

The Group will seek basic care for animals and is not funded to provide extensive and prolonged treatment for sick or injured animals.

It is my responsibility to adhere to any veterinary appointments made for the foster animal.

I will adhere to the worming protocol established by the Group to protect my foster pets from internal parasites.

If at any time the foster animal runs away, gets lost, is relocated, is injured, or becomes ill I will notify the Foster Coordinator or a member of the Board of Directors immediately. In the event that one of my foster animals passes away, I will notify the Group so that they can pick it up and dispose of it properly.

I have the option to return the animal(s) to the Group if I choose to no longer have the foster responsibility. I agree to return the animal to the Group upon request or at the end of the scheduled foster period, or if I am no longer able to care adequately for the animal.

I understand that The Group will provide me with crate (if needed), bowls, collar, leashes, litter box, litter, medicine (if needed), and food for the foster pet.

A Second Chance Puppies and Kittens Rescue Inc, reserves the right to cancel the Foster Caretaker Agreement and remove any and all foster pets for any reason in its sole discretion.

I understand that any animal has the potential to bite, injure or even cause death to either another animal or a human being.

Knowing the consequences of fostering, I will make every effort to be a responsible foster parent and will not hold A Second Chance Puppies and Kittens Rescue or its Board of Directors accountable for any action by the foster pet while under my care.

I agree that it is my responsibility to make the animal available for adoption by ensuring the animal is in attendance at adoption events as requested by the Group. Animals brought to adoption events must be clean, free of external parasites, and in good health.

I agree to the above terms and understand that my failure to comply with any of the items above may result in termination of my foster privileges with A Second Chance Puppies and Kittens Rescue.
